**ORDER:-**

Government of Andhra Pradesh with its Sports Policy, 2000 has been endeavoring to make Andhra Pradesh a power house of Sports. This is essential to contribute to the National efforts in sports excellence in the International arena. Towards this objective, a world class infrastructure for sports has been constructed at Gachibowli. Government of Andhra Pradesh has also been feeling the need for a sports school or a sports college to come up as an adjunct to the existing world class sports infrastructure in Gachibowli. This will result in a facility created to nurture talent and that too at the lowest marginal cost. Given the nature of School / College, it should be proximate to sports infrastructure.

2. Government Vide G.O.Ms.No.1090, Revenue (Assn.V) Department, dated 4-11-2003 has allotted 5 acres of land in S.No.91 on long lease on a nominal lease rent of Rs.1,000/- per acre per annum for 45 years in favour of Sri Pullela Gopichand for establishment of Badminton Academy. Whereas, a part of the land has been utilized so far and nearly 50% of the land has not been utilized. Moreover, after a lapse of 4½ years, the academy building which is under construction though is yet to be completed and operationalized. The plan submitted to HUDA shows that in the remaining area what is proposed are Children Play Area, Tennis court, and Swimming pool which are neither critical to Badminton Academy nor constructed upon.

3. To position Andhra Pradesh as a contributor to national effort, Government is of the opinion that location of a sport school and college in the said land which is not utilized so far is of paramount importance as this must be started at the earliest to contribute to London Olympics and there after. Government is convinced that this is an emergent situation warranting invoking their power under clause 18 of the Lease Deed dated 31.03.2004.

4. By virtue of the power vested in the Government as per the Lease deed, Government hereby resumes, the land to the South of Badminton building which is coming up leaving a gap of 9 Mts. from the southern most point of the building under construction for circulation around the building. Collector, Ranga Reddy District is hereby directed to take over the land and hand it over to Sports Authority of Andhra Pradesh as per this order delineating the land on the ground which is nearly 2.5 to 3 acres. Chief Commissioner of Land Administration is requested to ensure compliance with this order.
